

Nilesh Mishra

Full-Stack Developer | Associate Software Engineer

+91 8460805733 · nileshmishra2508@gmail.com · [LinkedIn](#) · [GitHub](#) · [LeetCode](#)

PROFESSIONAL SUMMARY

Full-Stack Developer with experience in MERN stack, C#/ASP.NET Core, and .NET Framework. Skilled in REST API design, JWT authentication, Socket.IO, WebRTC, third-party integrations (Razorpay, Twilio), and MUI-based responsive UIs. BE Computer Science graduate (CGPA 8.33), 500+ LeetCode solutions, and Agile/Scrum workflow experience.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), C#, Java (OOP), C, C++, Python
Frontend: React.js, Redux, MUI (Material UI), HTML5, CSS3, Bootstrap, Tailwind CSS, jQuery, GSAP, Responsive Design
Backend: Node.js, Express.js, ASP.NET Core, .NET Framework, Spring Boot
Databases: MSSQL (SQL Server), MySQL, PostgreSQL, MongoDB, Mongoose ODM
Real-Time & APIs: Socket.IO, WebRTC, REST API, JWT, Postman, Nodemailer, Razorpay API, Twilio API, Third-Party Integration
Tools & Concepts: Git, GitHub Actions, Render, Appwrite, OOP, SOLID Principles, Agile/Scrum, SDLC, DSA, Clean Code

EXPERIENCE

Software Engineer Intern Jan 2026 – Present
STPLGlobal
– Optimised C++ modules for image-processing desktop software, improving processing efficiency by **20%+** through targeted algorithmic and memory management enhancements.
– Assisted in debugging, functional testing, and documentation across release cycles following Agile/Scrum and Git-based workflows.
Web Development Intern May 2025 – Jun 2025
Sparks To Ideas
– Built responsive client websites using React JS HTML5, CSS3, Bootstrap, and JavaScript with GSAP/AOS animations; applied lazy loading and image optimisation for faster multi-device delivery.
– Managed source code using Git and followed structured SDLC methodology throughout the project lifecycle.

PROJECTS

CampusConnect – Campus Recruitment Platform | *React.js, Node.js, Express.js, MongoDB, Socket.IO, WebRTC, JWT, Nodemailer*
– Full-stack MERN campus recruitment platform supporting student, company, and coordinator roles — Node.js/Express.js REST API backend with MongoDB (Mongoose ODM) and React.js frontend.
– Real-time video interviews via **WebRTC** and live event broadcasting with **Socket.IO**; job posting, candidate shortlisting, interview scheduling, resume upload, and auto-generated interview questions.
– Admin analytics dashboard, coordinator-managed applicant pipelines, **JWT** authentication, and **Nodemailer** automated email notifications.
QuizChamp – Real-Time Quiz Hosting System | *C#, ASP.NET Core, React.js, PostgreSQL, Socket.IO, JWT*
– Platform where teachers create quizzes, upload CSV question banks, and track students via **live leaderboard** — C#/ASP.NET Core backend with React.js frontend and PostgreSQL database.
– Real-time quiz delivery with **timer sync**, **auto-grading**, **topic-wise MCQ generation from PDFs**, JWT-secured auth, and automated result email notifications.
Online Mortgage Application System | *Spring Boot, React.js, PostgreSQL, Razorpay API, Twilio API*
– Secure mortgage platform — Spring Boot REST API with React.js frontend; **Razorpay API** for EMI payment processing and **Twilio API** for OTP-based authentication.
– Loan eligibility checks, automated interest computation, and dynamic dashboards for applicant and admin workflows.

EDUCATION

Faculty of Technology & Engineering, MSU Baroda 2022 – 2026
B.E. Computer Science | CGPA: 8.33
St. Xavier's High School, Surat | HSC: 82.3% **Sharda Yatan High School | SSC: 88.33%** 2022 / 2020

CERTIFICATIONS & ACHIEVEMENTS

- Solved **500+** LeetCode problems with a **365-day badge**, **270-day streak**, and **65%+** acceptance rate.
- **Odoo × MSU Footprint Hackathon** — team-based software development under time-constrained conditions.
- **Data Science for Engineers** – NPTEL: data handling, visualisation, and ML basics.
- **Frontend Development** – Coursera: HTML, CSS, JavaScript, and responsive design.
- **Software Engineering** – Coursera: SDLC, Agile methodology, and software engineering best practices.
- **Communication Skills** – FFE: effective verbal and written professional communication.
